

WHES Limited Warranty

Effective Date: June 30, 2025

Jiangsu Weiheng Intelligent Technology CO., LTD. and its affiliates (hereinafter referred to as “**WHES, We or Us**”) provides the following limited warranty for WHES Residential Energy Storage System (hereinafter referred to as the “**Product**” or “**Products**”) supplied by WHES. An affiliate means a company that belongs to the same group of companies as WHES, characterized by a direct or indirect control relationship.

This WHES Limited Warranty (hereinafter referred to as the “**Warranty**”) applies to the Products purchased and installed in the destinations defined within **Australia and New Zealand** (hereinafter referred to as the “**Territory**”).

This Warranty is provided exclusively to the purchaser of the Products from WHES’s authorized channels (hereinafter referred to as the “**Purchaser**”). This Warranty is non-transferable.

1 Limited Warranty Scope

If a defect with the Product is discovered that is covered under the Warranty, WHES will, at its own discretion, repair or replace the non-conforming Product or parts thereof within the Warranty Period at no charge on the following conditions:

- (1) Whether to repair or replace the Product will be determined by WHES at its sole discretion.
- (2) The Product or any of its parts to be replaced will have the functionally equivalent performance and reliability as the original Product. If the production of the relevant type of the Product or any of its parts have been discontinued, withdrawn, or otherwise unavailable on the market, WHES reserves the right to replace the Product or parts with a similar Product or part (which may include previously used parts that are functionally equivalent to new in performance and reliability). Due to technical advances, it is possible that replacement parts or components may not be compatible with the other components already installed. Any costs relating to the incompatibility of systems are not covered by this

Warranty. If the Products are replaced within the Warranty Period, the remaining warranty period will be automatically transferred to the replacement products without an additional extension.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

2 Precondition For Warranty

This Warranty is subject to the following conditions:

- (1) The inverter system shall be installed by a skilled, trained, and licensed installer in compliance with local regulations.
